Supersedes AFI 36-2903/35 FW SUP 1,	Pages: 8
27 May 2003	Distribution: F

This supplement applies to all Air Force units assigned or attached to Misawa Air Base, Japan.

SUMMARY OF REVISIONS

Revised **1.1. (Added)** The uniform of the day will be the battle dress uniform or flight suit from Monday through Friday. Optional wear of blues on Fridays is not permitted.

AFI 36-2903, 1 Nov 01 is supplemented as follows:

1.1. (Added) The uniform of the day will be the battle dress uniform or flight suit from Monday through Friday. Wear of the service uniform is only allowed at special or official functions and for inspection purposes at Fast Term Airman Center (FTAC) and Professional Military Education (PME)-related schools. Optional wear of blues on Fridays is not permitted. During the course of normal operations, all personnel will wear their utility uniforms. Wear of blues by all personnel on a specific calendar date is at the discretion of the wing commander only. All questions on this matter should be directed to the 35 FW Command Chief Master Sergeant.

Table 1.1. Item 2. (PACAF) PACAF F-16 Demonstration Team Uniform patches/accouterments:

ITEM	DESCRIPTION	WEAR INSTRUCTION
Show Suit	Black jumpsuit or black flight suit with Pacific Air Forces Demonstration Team” and a straight-on view of the F-16 embroidered on the back.	Worn during scheduled aerial demonstration events, public relations events or when authorized by the 35 FW/CC.
Patches	PACAF F-16 Demonstration Team Patch.	Fastened to the upper right arm by Velcro.
	PACAF Patch.	Fastened to the right breast by Velcro.
	35th Fighter Wing Patch.	Fastened to the upper left arm by Velcro.
Name Tag	American aircrew style embroidered with first and last name, rank, duty title, and the top view of the F-16. The color will match the current colors of the 35th Operations Group tags.	Fastened to the left breast by Velcro.
	Bilingual Japanese/American aircrew style. Embroidered with first and last name, and the top view of the F-16. The color will match the current colors of the 35th Operations Group tags.	Worn on the left breast in place of the standard tag when deemed appropriate by the team leader.
Headgear	Black ball cap with "Pacific Air Forces Demonstration Team" and a straight-on view of the F-16 embroidered on the front.	Worn squarely on the head with no hair protruding in front of the cap.
Undershirt	Gold. V-neck, U-neck, crew neck, or athletic style without pockets.	Worn under the flight suit.
Polo Shirt	White or blue polo shirt with "Pacific Air Forces Demonstration Team" and a straight-on view of the F-16 embroidered on the left breast with first and last name embroidered on the right breast.	Worn with the slacks or shorts during scheduled aerial demonstration events, public relations events or when authorized by the 35 FW/CC.
Slacks	Tan or dark blue docker-style.	Worn with the polo shirt during scheduled aerial demonstration events, public relations events, or when authorized by the 35 FW/CC.
Shorts	Tan or dark blue.	Worn with the polo shirt during scheduled aerial demonstration events, public relations events, or when authorized by the 35 FW/CC.

Item 4. (Added)

Undershirt	Standard V-neck; Red for 13 FS; Gold for 14 FS; Black for 35 OSS.	1 May through 30 September: Standard V-neck mandatory for wear Monday – Thursday with flight suits; squadron specific T-shirts worn only on Friday.
Turtleneck	Standard black for all 35 FW personnel.	Worn between 1 October and 30 April, as desired.
Name Tag	Standard aircrew style; squadron specific color.	Name tags "Tactical" call signs worn only on Fridays after 1600 as desired.
Patches	Assorted.	"Tactical" patches (Wild Weasel Cave Putorium Patch, F-16 Falcon patch, OSW/ONW patch, 1/2/3, 000 hours patch etc,) will be worn at squadron commander's discretion on the left arm in lieu of the 35 FW patch on Fridays.

Figure 2.11. (Added)

Note 6. The 35th Fighter Wing patch will be worn on the left breast pocket (exception: when badge is worn on the left breast pocket, the 35th Fighter Wing patch or squadron patch will be worn above the individual's name tape). Squadron patches may be worn above the individual's name tape. Honor Guard personnel are authorized to wear a distinctive Honor Guard patch above the nametape at the discretion of squadron commander.

Table 2.2. Men's Battle Dress and Standardized Functional Uniforms.

1	BDU Shirt	Removal of BDU shirt in the immediate work area	Removal of shirt is subject to supervisor approval.
4	Boots	"High Tech"	May be worn with BDUs only when the "High-Tech" logo is removed without making the boot unserviceable and when safety requirements do not dictate otherwise.
6	BDU Baseball Cap	Camouflage baseball caps (with black lettering or no lettering)	
	Stocking Cap	Black US Navy Watch Cap, B9B Helmet Liner	Authorized for wear with either the extreme cold weather parka, gortex parka, field jacket or flight jacket between 1 Oct and 30 Apr as an optional uniform item. The bottom of the cap must be folded into a 2-inch band, except during inclement weather when the bottom may be turned down to cover the ears. Authorized for wear away from the duty location during inclement weather (i.e. the temperature is at or below freezing or the wind-chill factor renders the temperature at or below freezing). At any other time, it will be worn only in the immediate work area.
7	Sweater (Other than Cardigan)	Olive Drab	Authorized for wear with BDUs when weather conditions or personal comfort dictates. The sweater cannot be worn as an outer garment. Sleeves must be rolled down on BDUs or coveralls when wearing sweater or long underwear.
12	Accouterments	Gortex Parka Rank insignia	Slide-on cloth insignia are mandatory for wear by both enlisted and officer personnel.

13	Other	Coveralls	Coveralls are authorized for wear by maintenance and fire protection personnel while performing required duties. For maintenance personnel, the coveralls may only be worn in the immediate work areas. The specific color for coveralls for both fire protection and maintenance personnel is designated by unit commanders, but is limited to white, olive green, tan, or blue.
	Other	Mukluks	Authorized for wear with the BDUs and coveralls. BDU trousers will be tucked into the top of the mukluk. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Cold weather mittens	Cold weather mittens issued by individual equipment are authorized. Functional gloves under TA016 are also authorized. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Cold weather trousers	(CWU-6P, CWU-5, or CWU-18P) may be worn with the parka as an outer garment. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Winter Cap	Authorized for wear with the flight suit. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Undershirt. Black or Brown. Crew-neck style without pocket and emblems on the back.	Each squadron is authorized to have their official squadron patch or emblem no larger than 5 inches in diameter on the left breast as an optional uniform item.

(Added), Note 1. Extreme cold weather parkas may be worn with any uniform combination or civilian clothing, on and off base, between 1 Oct and 30 Apr. They must be zipped up at least halfway with the front lapel buttoned.

(Added), Note 2. The Gortex Parka is authorized to wear with uniform combinations that authorize wear of the field jacket. The Gortex Parka may be worn with civilian clothing when rank insignia is removed. Headgear must be worn when the hood is used on the Gortex jacket.

Table 2.4. Women's Battle Dress and Standardized Functional Uniforms

1	BDU Shirt	Removal of BDU shirt in the immediate work area	Removal of shirt is subject to supervisor approval.
4	Boots	"High Tech"	May be worn with BDU's only when the "High-Tech" logo is removed without making the boot unserviceable and when safety requirements do not dictate otherwise.
9	BDU Baseball Cap	Camouflage baseball caps (with black lettering or no lettering)	
	Stocking Cap	Black US Navy Watch Cap, B9B Helmet Liner	Authorized for wear with either the extreme cold weather parka, gortex parka, field jacket or flight jacket between 1 Oct and 30 Apr as an optional uniform item. The bottom of the cap must be folded into a 2-inch band, except during inclement weather when the bottom may be turned down to cover the ears. Authorized for wear away from the duty location during inclement weather (i.e. temperature is at or below freezing or the wind-chill factor renders the temperature at or below freezing). At any other time, it will be worn only in the immediate work area.
10		Sweater (Other than Cardigan)	Authorized for wear with BDUs when weather conditions or personal comfort dictates. The sweater cannot be worn as an outer garment. Sleeves must be rolled down on BDUs or coveralls when wearing sweater or long underwear.
15	Accouterments	Gortex Parka Rank insignia	Slide-on cloth insignia are mandatory for wear by both enlisted and officer personnel.

16	Other	Coveralls	Coveralls are authorized for wear by maintenance and fire protection personnel while performing required duties. For maintenance personnel, the coveralls may only be worn in the immediate work areas. The specific color for coveralls for both fire protection and maintenance personnel is designated by unit commanders, but is limited to white, olive green, tan, or blue.
	Other	Mukluks	Authorized for wear with the BDUs and coveralls. BDU trousers will be tucked into the top of the mukluk. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Cold weather mittens	Cold weather mittens issued by individual equipment are authorized. Functional gloves under TA016 are also authorized. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Cold weather trousers	(CWU-6P, CWU-5, or CWU-18P) may be worn with the parka as an outer garment. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Winter Cap	Authorized for wear with the flight suit. NOTE: Only authorized from 1 Oct through 30 Apr.
	Other	Undershirt. Black or Brown. Crew-neck style without pocket and emblems on the back.	Each squadron is authorized to have their official squadron patch or emblem no larger than 5 inches in diameter on the left breast as an optional uniform item.

(Added) Note 1. Extreme cold weather parkas may be worn with any uniform combination or civilian clothing, on and off base, between 1 Oct and 30 Apr. They must be zipped up at least halfway with the front lapel buttoned.

Table 2.7.

(Added) Note 3. Except for required safety items and the B9B helmet liner, and stocking cap (black US Navy Watch Cap, authorized for wear from 1 Oct through 30 Apr), wear of all other headgear on the flightline is prohibited. Headgear may be worn as directed during special events such as ceremonies, parades, air festivals, or receptions for arriving or departing distinguished visitors when not in immediate vicinity of operating aircraft.

Note 4 (Added), the following areas are designated no hat areas on Misawa Air Base. Military members are still expected to render proper customer and courtesies during the National Anthem when in these areas.

35th Maintenance Squadron munitions storage area

Picnic area and sidewalks on the northeast corner of building 508 and between building 656 and 653 when the area is being used for squadron functions.

POL tank farm 1, building 496, and fenced-in areas

POL tank farm 2, building 1174, and fenced-in areas

POL LOX area, building 753, and fenced-in areas

Enclosed compound and immediate work areas outside buildings 981, 984, 1080c, and 1310

13th and 14th Fighter Squadron areas

35th Civil Engineer Squadron compound, building 1080 and 1082

35th Logistics Readiness Squadron compound, building 1310 and 1326

35th Security Forces Squadron between building 646 and 648

35th Operations Support Squadron areas to include the area inside the fence around buildings 906, 909, 911, 918 and 924
